Material Stone, Glass, Lacquered Wood & Brass

Care Wipe the stone body and the lacquered wooden top with a non-abrasive cloth, so as to avoid any scratches on the surface. Prevent any contact of the lacquered wooden bases with heat.

Wash your glassware with Mild detergent. Dishwasher and Microwave safe.

Gently clean using a soft sponge and a metal cleaning agent (like lemon, vinegar or commercially available agents like 'Pitambari') before use. Wipe dry immediately after rinsing to prevent water stains and maintain a lustrous appearance.
